Bolt-On Hasps
Ideal for Van Doors

Provide superior, high security, maximum protection of the padlock shackle from bolt cutters.
Critical areas are also heat treated to resist saws.
Expert design makes is virtually impossible to incorrectly apply the padlock.
Vertical padlock position permits drainage around the shackle.
This also reduces freezing during winter.
Chrome-plated for tough, all-weather metal protection.

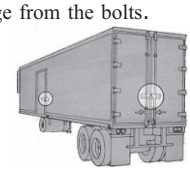
Trailer Door Security Hardware

Delivers high security, maximum protection of the padlock shackle from bolt cutters. The hardware acts as its own template when using vise-grip pliers. Kits are shipped complete with specially designed cover, nuts and bolts. The inside mount of the cover prevents accidental merchandise damage from the bolts.

17" Overall Width, 12 Bolt Mounting

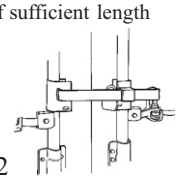
CPS-103
$81.80



"HOOK-UM" Adjustable Trailer Door Lock

Adjustable range to secure most trailers w/ swing type doors.
Padlock can only be inserted from backside of hardware.
The steel stamping that passes under the trailer locking bars is of sufficient length making it impossible to spring over the bars at any location.

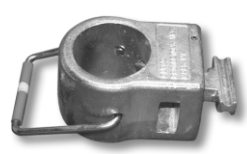
CPADJ110 $976.72



"King Pin" Cargo Protector Lock

Accepts AM5200

Offers the best protection of trailer pins. Padlock body holds the sliding bar in locked position cast from durable, high performance ductile iron, strong enough to render bolt cutters and power drills incapable.



CPAM100 $136.19
