Nomad

Light weight and compact, weighing only 6.5 Kg and measuring 26 cm in length, NOMAD is perfect for working in small spaces. Ideal for duplication professionals who use vehicles to provide a service.

STRONG AND ERGONOMIC FOUR-SIDED CLAMPS

Made from steel for guaranteed durability and cutting precision. Their four sides also provide increased convenience and reliability when gripping keys.

JMA NOMAD 110

$1,107.00

Berna Simply Manual

You'll enjoy longer cutter durability with the ideal rotation speed and highly accurate cutting.

The ideal cutter rotation speed to reduce wear and increase durability.

Great distance between clamps to cut.

The shavings collection tray makes workspace clean-up easier.

A tray to organize the accessories while cutting.

JMA BERNA SIMPLY 110

$2,389.50

Berna Semi-Automatic

BERNA is the new professional compact duplication machine model that combines simplicity and versatility.

Next-gen technologies and materials make it a strong duplication machine providing precision results.

Compact but still with a robust design and clean lines in an ergonomic shape.

The various shields covering all the moving parts of the machine provide operator safety during the duplication process.

JMA BERNA 110

$2,970.00

Vienna Smart

Professional duplication machine that combines simplicity and versatility for duplicating keys for cylinder locks and vehicles, cruciform keys (cross-shaped) and special keys thanks to its four-sided clamp.

The various shields covering all the moving parts of the machine provide operator safety during the duplication process.

JMA VIENNA SMART 110

$4,860.00
