KMK-20B	Offset Style Duranodic Finish	$41.16

K-17 Security Guide & Bolt

The k-17 security guide & bolt replaces the flimsy plastic guides and flush bolts provided by many manufacturers with quality steel. With a relatively simple installation, you eliminate the possibility of a burglar breaking in by merely snapping the plastic bolts.

Made of steel, cadmium plated to prevent rust, the K-17 works with the builders brass works & slide-co flush bolts.

KMK-17

KWIK KEE

Most businesses or residences have under 10 cylinder changes. When keying them, you may have made piles of pins on your work area, used a loading tray or just picked from your pin kit...then proceeded to load each chamber in the same order, over and over again. With KWIK KEE you can load once and rekey your cylinders in a flash.

KMKWIKEE

$446.19
