Greases

Super Lube® synthetic greases are patented, multi-purpose synthetic lubricants, which last longer and outperform conventional petroleum-based greases. Super Lube® grease is an exceptionally pure lubricant because it is synthetic. This gives Super Lube® grease very stable and predictable chemical properties.

SP41160
400g Jar
$23.76

SP41150
14.1 oz
$23.26

SP21030
3 oz Tube Gel
$10.67

SP21010
1/2 oz Tube Gel Blistered
$6.31

Aerosols

Designed to place Super Lube® where it is needed, when it is needed, often without time-wasting disassembly and reassembly procedures.

SP85011
Syncopen® Penetrant
$16.54

SP31040
6 oz Synthetic Lubricant
$15.32

SP31110
11 oz Synthetic Lubricant
$21.43

Oils

Specially blended to answer the needs of industrial equipment, machinery and tool applications that are better served with lighter, pourable oils of various viscosities.

SP51010
7 ml Oiler Blistered
$7.52

SP51004
4 Oz Synthetic Oil
$10.68

SP12004
4 Oz Air Tool Pneumatic Lubricant
$8.96

SP52004
4 Oz Synthetic Lightweight Oil
$11.27

Super Lube® Displays

Counter Display Pack

36 Assorted Super Lube® Products
12 - 3 oz. tubes of Super Lube® Gel

12 - 11 oz aerosol cans of Super Lube®

Includes formed counter tray with printed header card and selling tips.

SP11362
$569.04

1/2 Oz. Tube Counter Box

Contains 40 - 1/2 Oz. Multi-Purpose Synthetic Grease With Syncolon® (PTFE) Tubes (SP21014).

7 ml. Oiler Counter Box

Contains 48 - 7 ml Multi-Purpose Synthetic Oil With Syncolon® (PTFE) Precision Oilers (SP51014).

21013

51013

Part #	Description	Quanity	Price
SP21013	1/2 Oz Tubes	40	$220.00
SP51013	7 ml Oiler	48	$333.12

Dri-Film Lube

A self cleaning lubricant that actually cleans while lubricating. The dry coating provides a low coefficient of friction which gives excellent lubrication and release properties.

SP11006
5.25 Oz. Can
$14.49

SP11016
11 Oz. Can
$17.70
