Townsteel offers a complete line of anti-ligature locks.

* Design impedes ability to attach laces, cord, and line to the knob set
* Enhances opportunity to reduce accidents in health care facilities, detention centers and other potential high risk areas

Designed to be an integral part of your accident prevention and safety program
* Heat treated steel spindles
* Outside clutching lever to protect lock from abuse

* Cylindrical is UL listed for a 3 hour fire door
Code Compliance
