Pro® 2 Electronic Deadbolts

Whether you are looking for a keyed or key-free option, or a touchscreen or keypad version, Yale has a Yale Pro® 2 lock designed for you. Enjoy peace of mind, protected by Yale Pro® 2 locks with 180 years of security expertise built in.

- Smart app programming: Use the Yale Access app, at the door, for simple programming and creating entry codes
- No professional installation needed: Replaces your deadbolt on most standard doors using just a screwdriver
- Unlock your way: Use the keypad, Yale Access app on your smartphone or Apple Watch at the door, or Auto-Unlock.

Assurelock Deadbolts Real Living

Forget carrying around keys; unlock your home using a 4-8 digit PIN code on the backlit, push button keypad. Create up to 25 (250 with a Network Module) PIN codes to share with friends and family so you'll never have to lend a key.

The keypad has backlit numbers that won't wear off.

Lock the door behind you by pressing any key. The lock is packaged with two matching keys for you to have, just in case.
