Motorized Latch Retraction Cylindrical Lever

LPC190 Series

Motorized latch retraction cylindrical lock utilizes a high-quality Grade 1 lock, built in the USA to withstand years of abuse. This unique model brings latch retraction to a standard cylindrical lockset for the 1st time in the industry & is the perfect solution for push-pull conditions, handicap access, single-occupancy restroom applications, and automatic operators where panic devices are unnecessary.

IC PREP ALSO AVAILABLE
