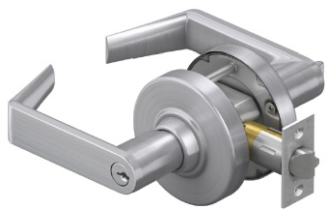
ALX-Series Grade 2 Modular Cylindrical Lever Locks

*We have stock on the discontinued "AL" series. Call for pricing and availability.

ALX Series' features now deliver flexibility and value beyond strength and security.
Born from modular design, the AL Series' evolution to the ALX Series is a revolution in lock design.
The Schlage ALX Series gives you the ability to use it as you would any other lock: ordered and delivered as a complete, configured product ready for installation. However, in its new modular design, ALX Series offers you the flexibility to utilize the separate components of chassis, function and lever packaged kits to create a lock to meet your needs on demand.



As a modular lock, it features a single, patent pending chassis design that supports most functions and all cylinder applications. The lock's ability to be configured on site to meet the functional need let's you avoid problems.
You can do more with less, giving you an unprecedented level of flexibility to every aspect of how you use it in your business.

Standard Features

ND-Series Grade 1 Cylindrical Knob Locks

ND Series locks have been the most popular schlage product ever since walter schlage invented the cylindrical lock in 1920. The ND series is ANSI/BHMA grade 1 certified and performs beyond the grade 1 standards. The lock withstands 3,100 in-lb. of abusive lever torque, as well as 1,600 lbs. Of offset lever pull for protection against pry bar attacks. The lock is not only strong from attacks, but it also shows nearly zero droop or wobble after 16 million cycles.

Certification ANSI/BHMA Certified A156.2-2011, Series 4000, Grade 1, UL Listed for 3-hour fire door.
Latch 1-1/8" x 2-1/4", Square corner faceplate, 1" housing diameter, 1/2" throw

Occupancy Indicators

The 180 degree visibility indicator for the Schlage L Series mortise lock offers unparalleled visibility and flexibility. The unique features of the indicator make it ideally suited for classroom security applications as well as traditional occupied/vacant applications.

The L Series indicator features:

2" x 1⁄2" display for easy viewing at a distance

180° windows for visibility at any angle

High-mount placement for quick assessment during emergency lockdown

High contrast colors (white/red, black/white) for ease of reading

Choice of four text and/or symbol messages

Available for over 30 functions, for inside or outside of door

Available in Sectional trim or N Escutcheon trim
